ASSISTANT SECRETARY TO GOVERNMENT

REVENUE DEPARTMENT

Sir,

Sub:- Pounds - Cattle pounds - Sandur Taluk Sandur Firka - payment of commission to pound keepers on Fines collection from 1946-49 sanction requested.

The Tahsildar Sandur has reported that an amount of Rs. 384-1-0 according to the collateral statement has to be paid to the several pound keepers mentioned therein towards the commission due to them on the fines collected by them on impounded cattle, during the period 1946-49. Though it was the practice in the Erstwhile Sandur Government to pay commission to the pound keepers once in a year at 20% of the fines collected by them on impounded cattle, has this amount has not yet been paid to them. The fines collected by the pound keepers during the above period were credited into the Treasury. The relevant order passed by the Erstwhile Sandur Government to the effect that commission should be paid to the pound keepers at 20% of the fines collected is not traceable but the Tahsildar Sandur has reported that the previous accounts show that commission was paid to the pound keepers in the past at 20% of the fines collected by them.

I request that the Government may be pleased to accord sanction for the paymentof Rs. 384-1-0 to the various pounds keepers as shown in the enclosed statement.

The Board observes that it was the practice of the previous Sandur Government to pay commission to Pound keepers once in a year. The Collector of Bellary reports that due to the merger of the State, the matter did not receive the attention of the Sandur Government. It has also been ascertained from Government that the commission payable to the Pound keepers on the fines collected by them was not worked out and kept separately in the Sandur State treasury accounts and that this amount has to be paid from the assets of the Sandur State.

As the Commission earned by the Pound keepers is due to them and not paid so far, the Board sees no objection to its being sanctioned from the previous Sandur State Funds. It would however advise the Government to take the opinion of the Accountant General also in the matter to find out if there is any objection to doing so from the audit point of view.

Cattle Pounds - (Bellary) - Sandur taluk Payment of commission to pound keepers for 1946-49 due by the Sandur State Govt. before its merger - Instructions.

From the Bd of Rev. L. dis. C 8425/51 dated 18. 9. 51.

The Collector of Bellary has reported that a sum of Rs. 384-1-0 is due to the pound keepers of Sandur firka, Sandur taluk, Bellary dt. being the commission payable by them for the period from 1946-49. ~~towards~~ in respect of the collection of fines on unpounded cattle. This amount accrued during the period ~~when~~ prior to the merger of the Sandur State with this Province.

b 1 C F

The Coller. has reported that it has been verified from the treasury accounts that the fines collected by the pound keepers had ~~been~~ been credited into the State treasury but that the commission due to them had not yet been paid to them. He has now requested sanction for the payment of the amount.

2. The Bd. of Rev. has stated that, as the commission ~~earned~~ by the pound keepers ~~has~~ is due to them and has not so far been paid to them, it sees no objection ~~to~~ to the amount being sanctioned from the previous ~~State~~ Sandur State Funds. It however suggests that the A.G. may be consulted to find out if there is any objection to doing so from the audit point of view.

Para 2 of Go 1 ... 1-9-5 Fin dt/ 13-10-49 T ... of b ... F ... I

3 Sandur State was merged with the Madras State on 1-4-49 and the Govt. ~~left~~ ~~over~~ the assets and liabilities of the State from 1-4-49. It is not clear what the

Board means by saying that the amount should be met from the previous Sandur State Funds. Since the Govt. have taken over the assets and liabilities of the previous Sandur State, the Commission due to the Pound Keepers of the previous Sandur State Govt. should it appears be treated as arrear claims and their payment should be sanctioned by the Govt as a special case. Finance may see for remarks. They may also advise whether it is necessary to consult the Accountant-General as suggested by the Bd.
